Betsy is the firm's Chief Operating Officer. She joined the firm in 1992 and has held a variety of leadership roles including serving as Managing Principal of BPS&M prior to the merger into Findley Davies.

Betsy is responsible for managing the firm's day-to-day operations to assure seamless delivery of services to clients, and to drive profitable and sustainable growth for the firm. As COO, she oversees all firm support functions and coordinates with each practice area for purposes of associate development and efficient utilization of resources.

In addition to her management responsibilities, Betsy is actively engaged with current and prospective clients on benefit plan strategies, including the design, funding, and operation of qualified and nonqualified retirement programs and plan administration solutions. Over the years, Betsy has served as a managing consultant for several of the firm's largest clients, providing services to organizations in the healthcare, banking, manufacturing, agriculture, and professional services industries.
