Retirement Consulting
Actuarial Systems

Justin has over 20 years of actuarial and consulting experience related to the design, funding, administration, and regulatory compliance of both qualified and nonqualified retirement plans. Justin also has experience with public and private sector employer accounting disclosure requirements for postretirement medical plans. His clients include governmental entities, church groups, and private employers. His largest client has more than 200,000 participants. Justin is a member of the firm's Government Practice Group.

In addition to his client work, Justin is involved in maintaining the firm's actuarial valuation systems. His past responsibilities include managing the training and continuing education of our actuarial staff and overseeing the actuarial student program.
